116. Low 115 Red and brown AU
117. Low 118 XF some pitting appears at the bottom of the obv and at the top of the rev. However, it does not really mar the general overall appearance of this rare token. A VF specimen. in a recent West Coast coin auction went for \$600.00.
118. Low 126 Brown Unc.

127. Low 149. F/VF What seems to be an attempted puncture mark appears at the top of the obv. A few light old scratches appear on the rev. However, the general appearance is most satisfactory. Don't let our description, noted for the sake of accuracy, mislead you into thinking this is a dog. Quite the contrary, this would be a welcome addition to any advanced collection. A VF specimen brought \$1,050 in a recent West Coast Coin Auction. Minimum bid \$850.00

In the April-May 1963 TAMS Journal, Russell Rulau expanded the Lyman Low list of Hard Times Merchant Tokens to include a great many pieces that Low missed. Pseudo-Low numbers were given these pieces and rarities were assigned. These tokens are properly included in a Hard Times collection unless one wishes to slavishly adhere to an outdated listing. We include such tokens at this point with references to Rulau's article and to Donald Miller's U.S. Store Card or Merchant Tokens.

INAUGURAL MEDALS OF THE PRESIDENTS
OF THE UNITED STATES. Reference is
to Dusterberg's The Official Inaug-
ural Medals of the Presidents of
the United States which is available
for \$7.95.

Perhaps no area of token and medal
collecting has seen a dramatic
increase in popularity and price as
has that of Presidential Inaugural
Medals. PCAC has been in the fore-
front of this market and at one time
or another has sold at least one

of every bronze medal
listed by Dusterberg
plus many of the silvers.

We recently had the
honor of selling one of
the three examples of
the Taft-Sherman medal
in gold for a record
breaking price of \$15,000.

The following selection
of medals represents
the most complete off-
ering of inaugural medals
in recent history. A
price estimate range
will be given to guide
those who have not kept
up with the active market
in these medals. This
guide is an accurate
reflection of today's
market!

488. DeWitt BH 1888-3
WM with original ribbon

489. DeWitt BH 1888-5

jugate busts of the can-
didates. (\$60-80)
490. 1897 McKinley-Hobart

ribbon. Ch. Unc (\$275-425)

491. D. OIM 1244. 1901
McKinley. The first
official inaugural medal.
nice Unc. (\$150-175)

492. D. OIM 3244. 1905
Roosevelt. Ch. Unc medal
by Davison (\$250-300)

493. D. OIM 2844. 1905
Roosevelt by Tiffany.
With a mintage of only
120 pieces, this is the
key to the official
inaugural collection. An
inferior piece was sold
over a year ago for \$3500
and none other has app-
eared on the collector's
market since. Spirited
bidding should put this
medal, a pleasing XF/AU,
in the \$3,700 -4,500
range.

494. D. OIM 4B51. 1909
Taft-Sherman. one tiny
tin nick at obv. 3 o'clock.
AU but a number of spots
of surface discoloration.
(\$240-275)

495. D. OIM 5B70. 1913
Wilson in choice mint
condition. (\$300-350)

496. This medal was re-
ported as a die trial of
the Wilson first inaugural
by George Fuld in a recent
TAMS article. "The 70mm
was made from the 51mm hub

by adding more shoulder and truncation to the well proportioned 51mm size. Undoubtedly this 51mm working die trial was made first (by an artist at Whitehead and Hoag), and rejected by the inaugural committee due to several possible reasons....). The hanger for this medal shows beyond doubt that the medal was actually used in the inaugural festivities as the badge for the Indiana delegation.

This raises the possibility that the medal was made for the Indiana people based on the official medal and not vice versa.

Reverse shows a large bust of VP Marshall to right. Legend reads THOMAS RILEY MARSHALL VICE PRESIDENT OF THE U.S. INAUGURATION DAY MARCH 4, 1913. (\$250-350)

497. D. OIM 6B51. 1917 Wilson. Bears the edge imprint of R.Harris & Co. VF An old scratch starts at the left female figure and continues thru the 'O'. A small dig in front of Wilson's face. These defects are mentioned for the sake of accuracy but should not be weighed too heavily by the collector. The medal is still most attractive.

Dusterberg states that "The medal's infrequent appearance on the numismatic market supports a speculation that no more than a few hundred bronze copies were produced." Sometime ago Superior Stamp and Coin Co. reported a sale of a bronze specimen in the range of \$2,000. We feel this medal should go in the range of \$1,100-1300.

498. D. OIM 7B70. 1929 Hoover. Only 1,000 of the medals were produced and they show up even less frequently than this low mintage would indicate. Superior reports the sale of one for \$1,200. It could not have been nicer than this mint specimen which is perfect in every respect! (\$1,200 - 1,400)

499. D. OIM 7B70. 1933 FDR. Choice mint condition. Only 1,550 minted. (\$600-675)

500. D.OIM 9B76 1937 FDR Choice mint condition. Lowest mintage of the 4 FDR medals. (\$450-550)

501. D. OIM 10B 42(2). 1941 FDR Type 11. Nice mint condition piece but has a small discoloration spot on the rev. (\$350-400)

502. D. OIM 11B45. 1945 FDR. Mint condition. (\$150-200)

503. D. OIM 12B51. 1949 Truman. A beautiful golden patina has formed on this medal making it unusually attractive. (\$250-300)

504. D. OIM 13B70. 1953 Ike mint condition but a light dig in the field in front of 'W' insignificant. (65-85)

505. D. OIM 13S70 1953 Ike in silver. Only 782 struck This is a nice mint condition piece. (\$575-625)

506. D. OIM 14B70. 1957 Ike. slight surface discoloration but still nice. (\$75-100)

507. D. OIM 14S70. 1957 Ike in silver. Small mintage of 1,031. The first inaugural in which Nixon appears. Mint with slight surface discoloration. (\$575-625)

508. D. OIM 15B70 1961 JFK. Mint condition. (25-30)

509. D. OIM 15S70. 1961 JFK in silver. Slight surface spotting. (\$100-125)

510. D. OIM 16B70. 1965 LBJ. Mint condition (\$15-20)

511. D. OIM 15S64. 1965 LBJ in silver (\$60-80)

512. D. OIM 17B70 1969 Nixon. Mint in original box. Prices on the Nixon and Ford medals are now in a state of flux. Our guess for this one is \$17.50-25.00.

513. D. OIM 17S64. 1969 Nixon in silver. (\$60-80)

514. 1973 Nixon-Agnew bz in original box. (\$17.50-25)

515. 1973 Nixon-Agnew antique silver in original box. (\$60-80)

516. 1973 Nixon-Agnew proof silver (\$90-125) orig. box

517. 1974 Ford VP bronze in original box. (7.50-10.00)

518. 1874 Ford VP antique silver in original box (\$65-80).

519. 1974 Ford VP proof silver in original box (\$90-125)

520. 1974 Ford VP gold on silver (only 1,000 minted) \$175-225)

521. Poor man's Tiffany TR. A rare plaster model by the artist which seems to be alike in all respects to the finished medal. Of some interest is the fact that this piece was originally purchased from the estate

of Joseph Davison, the Philadelphia medalist who produced the other official TR inaugural medal. Perhaps a gift from St. Gaudens? We know of one other similar piece also from the Davison estate. Uniface with a small wire mounted on the reverse for hanging. (\$450-600)

522. Obverse die trial in lead of the FDR fourth inaugural medal. Strongly struck impression (\$350-450)

525. X RARE 1896 Olympic medal. Commemorates the first modern Olympic games. A most attractive piece executed by Wilhelm Pittner, famous Viennese die sinker. Nice AU.

526. American Art Union 1849. Bust 1 of John Trumbull. A beautifully executed medal by the famous American medallist Charles Cushing Wright. Nice chocolate bronze. Large obv rim bruise in front of face. Otherwise XF. Numerous small rev rim dents. Still most attractive.

After WWI, the French sent in Senegalese soldiers to occupy a part of Germany. These black soldiers were notorious for raping the German women.Goetz has captured the strong feeling

against these activities with this most striking piece of medallic protest.

531. Gorgeous Franklin Institute Award Medal by Christian Goebrecht. awarded in 1885 to C. Gallagher for Anglular Couplings. In orig. case of issue.

532. 82mm Erie Canal Medal by Thomason, the famous English medalist. The medal has a very small piercing at the top which has been plugged in such a manner to suggest that some sort of a hanger was at one time present. A nice XF/AU with a pleasing patina. Certainly 2-3 times rarer than the smaller and similar version by C.C.Wright (HK 1).

533. A medallic oddity. A woman seated holding an urn. City buildings in the background. Beneath GORHAM & CO./PROVIDENCE R.I. c/s on the left border is COLOR/SAMPLE "49" within a circle. uniface. holed as made at the end.

534. 1959 Pittsburgh Bicentennial medal by Medallic Art Co. 76mm Unc.

535. William McKinley Presidential Medal by the US Mint in a old bronze finish. This is the first term (1897) medal and can no longer be obtained at the Mint even in golden bronze. XF/AU with some spotting.

AUCTION SUBSCRIPTIONS:

Those of you who are receiving our auction list for the first time please note that our lists are sent by subscription only. For \$2.00 you will receive our next four auctions plus prices realized.

For those of you who are interested in our auctions of political and historical Americana, our subscription fee is \$1.50 for our next three auctions plus prices realized. Unlike many of the other Americana auctions, ours features large photos and lucid descriptions.

CONSIGNMENTS:

We are always interested in receiving consignments of higher grade material. Quite frankly, we can more than supply ourselves with common material and are thus interested primarily in quality consignments unless an entire collection is involved. We charge 20% commission and pay off promptly 30 days after the closing date.

GERALD FORD OFFICIAL PRESIDENTIAL INAUGURAL MEDALS:

Medallic Art Company has announced that it will produce the Official Inaugural Medal for President Ford. (Please note: the Franklin Mint "Inaugural" medal is not the official medal). Prices have not yet been announced, but we expect them to be somewhat higher than the previous Ford VP Inaugural Medal. They will be produced in four variation; bronze, antique silver, proof silver and gold on silver. If you are interested in obtaining one or all of the medals, please contact us and we will inform you of the price and mintage structure when it is announced.
